is still silent as to what happened to the original application received by Sri M. Mallaraj urs. It is also not clear whether it was sent direct by Sri. urs. or not. A Search in the ~~Dep~~ Despatch Regr. ~~Sec~~ would have cleared this doubt. Apparently it seems that the applm. was received & marked to the Commr. but never reached the Commr. — perhaps lost in transit. or mislaid. It does not appear from the reply received from the Commr. that the application was sent by the Agr. Engr. to the Commission. Perhaps the union public Service Commn made a reference to this Govt. on the duplicate application sent & admitted by Sri Dhanaraj, to them.

36) Regarding the regularity or otherwise of the action of Sri Dhanaraj in having sent the application, it is understood, that such a course has been recognised viz., an officer sending a copy of his applm. direct, simultaneously with his forwarding through his official superiors.

CHIEF SECRETARIAT 58 13 FEB 1951 CB GOVT. OF MYSORE

Dear Sri.Srinivasan,

Subject:- Application of Sri.Samuel Dhanaraj, Tractor Engineer, to the Union Public Service Commission.

.-.-.-.-.-.-.

Referring to your letter No.16600/CB.dated 10th February 1951, I write to state that Sri.M.Mallaraja Urs was requested to report whether the application of Sri.Samuel Dhanaraj was received and forwarded by him to the Union Public Service Commission, and if so, why it was not sent through me and also to state what action he has taken on the petition, if he has not forwarded the same to the Union Public Service Commission.

Sri.M.Mallaraj Urs has in his reply No.5856 dated 6th January 1951 stated that he has not forwarded any application of Sri.Samuel Dhanaraj, Tractor Engineer, direct to the Union Public Service Commission. He has also stated that the application was submitted to the Commissioner for Food Production in the usual course and that the number and date of despatch may be obtained from the Agricultural Engineer's office.

On enquiry to verify the report of Sri. M.Mallaraj Urs, the Agricultural Engineer has stated that the application of Sri.Samuel Dhanaraj to the Union Public Service Commission stated to have been submitted to the Commissioner's office does not find an entry in the 'To' Register of his office. To find out if Sri.M.Mallaraj Urs might have despatched this paper thro' the office of the Additional Deputy Director of Agriculture as he was in-charge of that post also when the application of Sri.Samuel Dhanaraj was presented to him, a search was also made in that office to find the reference of despatch. But it was of no avail. A thorough search was made in my office Registers also. This paper is not received as can be seen from "Amad" and "Despatch" Registers.

In his letter No.5898 dated 11-1-51 one to Sri.Gopal Murthy, Sri.Mallaraj Urs has stated that an application was presente

p.t.o.

presented to by Sri.Samuel Dhanaraj, Tractor Engineer, for being forwarded to the Union Public Service Commission through the proper channel and that he marked the paper for being submitted to the Commissioner in the usual course and that he was under the impression that it had been despatched by the office to the Commissioner's office, and requested the Agricultural Engineer to verify with his despatching section whether the application was despatched and if so under what number and date. From the above two letters Sri. Mallaraj Urs has written, it is seen that he has given different and prevaricating reports, in the first letter No.5856 dated 6-1-51 to Janab Ameer, my Head Quarters Assistant, he has stated that the application of Sri.Samuel Dhanaraj was submitted to the Commissioner in the usual course for necessary action and in the other letter 5898 dated 11-1-51 to Sri.Gopal Murthy, Agricultural Engineer, he has said of having marked the paper for being submitted to the Commissioner in the usual course and that he was under the impression that it had been despatched by the office to the Commissioner's office, admitting therein by implication that he was not aware of the actual forwardal of paper to the Commissioner. Copies of two D.O. letters written by Sri. Mallaraj Urs and referred to above have been enclosed for your ready reference. It can be inferred from his D.O.letter to Sri.Gopal Murthy, that he merely received the petition of Sri.Samuel Dhanaraj referred it to the Agricultural Engineer's office and it was not forwarded. A search in my office and in the subordinate offices concerned point to this conclusion. The report of Sri.Mallaraj Urs in his No.5856 dated 6-1-51 that the application of Sri.Samuel Dhanaraj was forwarded to my office is not true and is very evasive in view of his further explanation to the Agricultural Engineer on 11-1-51.

Sri. Samuel Dhanaraj in his report dated 28-1-50 to the Agricultural Engineer, copy of which is enclosed for your information has stated that he presented his application to the Union Public Service Commission to Sri.M.Mallaraj Urs, the then Agricultural Engineer in-charge, for transmitting it through the proper channel and that he forwarded a duplicate to the Union Public Service Commission direct with the remark in the body of the application

p.t.o.

application that his regular application was being transmitted through the proper channel. This application might have been forwarded by the Union Public Service Commission to our Government for report on the qualification and character of Sri. Samuel Dhanaraj.

Sri.Samuel Dhanaraj was not right in antitipating the transmission of his application to the Union Public Service Commission by me and sending one copy of his petition direct to the Union Public Service Commission and I have advised him not to give room for such complaints in future.

Since it is opined that it is not conducive to the better working of the Tractor organization to forego his services his services have not been spared to the Government of India. I feel therefore that the matter may be dropped at this stage.

Yours sincerely,

To

Sri.K.Srinivasan, B.Sc.,
Chief Secretary to the Government of Mysore,
Bangalore.
